NEW STONEHENGE PADS

Multi-Color Pads in three sizes introduced

New York, NY (April 15, 2010) – Legion Paper, the leading supplier of fine art paper in North America, adds Multi-Color artist pads to the popular Stonehenge family of papers.

“Artists approached us requesting a Stonehenge pad representing a wider range of colors because they are working on shades other than white.” said Michael Ginsburg, President, Legion Paper. “As a result, we’re proud to expand the Stonehenge family to our customers who desire to work on the broader Stonehenge palette.”

Stonehenge was introduced in the early 1970’s and quickly became the number one American fine art paper used by artists in all genres, from colored pencil and silverpoint to pastels and letterpress. Featured in limited edition collections and endorsed by hundreds of artists and organizations, Stonehenge sets the standard for high-quality yet affordable fine art paper.

Stonehenge Multi-Color pads are available in 5x7, 9x12 and 10.9x14, containing three sheets each of Warm White, Natural, Cream, Fawn and Pearl Grey. The pads are currently available in both Legion Papers’ East and West Coast warehouses. Stonehenge is also available in sheets and rolls in seven colors of various sizes and weights.
