

The Stonehenge Ad

Thank you for making Stonehenge the #1 American-made fine art paper. When asked why artists choose Stonehenge they mention the smooth surface, 100% cotton quality, deckle edge, range of colors and most of all its versatility.

From Drawing to charcoal and printing to stationery, Stonehenge can do it all. This flexibility also extends to the formats available in rolls, sheets and pads to meet the demanding needs of any artist at an incredibly affordable price.

The advertisement features a background image of three colored pencils (blue, red, yellow) lying on a surface with scattered pencil shavings. The background is filled with faint, repeating text in various colors and orientations, including 'SILKSCREEN LITHOGRAPHY STATIONERY PASTEL DRAWING WATERCOLORS LETTERPRESS PRINTMAKING'. In the bottom right corner, there is a small inset image of a framed artwork with a deckle edge.
